RE: FREEDOM NETWORK ENHANCEMENT

Quick and convenient health care access is right around the corner for Freedom Network and Freedom Network Select members. The Freedom Network has expanded to include healthcare centers: *Take Care Health Systems* and *MinuteClinic*.

Take Care Health Clinics are housed inside select Walgreen's Pharmacy Stores, and *MinuteClinic* is housed inside select CVS Pharmacy Stores, conveniently located throughout the Kansas City Metropolitan area.

Freedom Network and Freedom Network Select members who are 18 months and older can receive diagnosis, treatment and prescriptions for a wide range of common illnesses. Care is provided by nurse practitioners, who are registered nurses with advanced education and clinical training, specializing in family medicine. The clinics are open seven days a week, and no appointment is required.

For future updates, members can visit our website, www.phpkc.com, and click on the "Find a Provider" tool. To learn more about clinic hours and services, members can go to www.takecarehealth.com or www.minuteclinic.com/en/USA.

More networks. More providers. More choice. More value. That's Preferred Health Professionals.

Sincerely,

Robert Herduin
