TO: ALL PARTICIPANTS OF THE GREATER KC LABORERS WELFARE FUND

**RE: NEW WELFARE FUND HEALTH CARE CARDS
ADDITION OF CONNECTION DENTAL NETWORK**

Dear Participant:

The Board of Trustees is pleased to provide you with new *Health Care Cards* for the Greater Kansas City Laborers Welfare Fund. **Please discard any old health care cards**, and carry this new card with you, as it has all the information needed for your medical and dental providers to bill for their services. Make sure you complete the back of the card.

ADDITION OF CONNECTION DENTAL NETWORK

CONNECTION Dental, a growing National Dental PPO, has been added as a network provider of dental services for the Welfare Fund. *CONNECTION Dental* is one of the largest dental networks in the nation, with over 50,900 unique dentists and dental specialists practicing in over 65,000 office locations. Using an in-network dentist can save both you and the Fund money, with an average savings of 27% nationwide.

To find providers in the *CONNECTION Dental* network, call their Customer Service at (877) 277-6872 or visit them online at www.ppousa.com/patients/dental.html.

Each dentist decides individually whether to participate in the *CONNECTION Dental* network. If you are currently utilizing a dentist that is not participating in the network, *CONNECTION Dental* encourages the nomination of new dentists to the network, and they will do their best to add the dentist when requested.

Regardless of whether or not you use a *CONNECTION Dental* network provider, it is important to note that ALL CLAIMS, INCLUDING DENTAL & VISION CLAIMS should be mailed to *Preferred Health Professionals* at the address shown on the back of your new card.

If you have any questions or need additional information, please contact the Fund Office at (913) 236-5490.

Sincerely,

BOARD OF TRUSTEES
